Re: End of Sales Announcement for Natus Echo-Screen II Hearing Screener

Dear Valued Distribution Partner,

This is to inform you that the Echo-Screen II product line will be discontinued per the following schedule:

- Echo-Screen II 5-key devices will only be available while supplies last and no later than December 29, 2017. At this time, we have approximately 50 devices in stock and cannot manufacture additional units. Affected device part numbers are:

Part Number	Description
	Echo-Screen Basic (5-Key) Sets
010127TS	Echo-Screen TS set (TEOAE)
010127DS	Echo-Screen DS set (DPOAE)

- Echo-Screen Plus 17-key devices will be available for sale while supplies last and no later than March 30th, 2018. Affected device part numbers are:

Part Number	Description
	Echo-Screen Plus (17-Key) Sets
010127T	Echo-Screen Hearing Screener TEOAE set
010127D	Echo-Screen Hearing Screener DPOAE set
010127A	Echo-Screen Hearing Screener ABR set
010127TD	Echo-Screen Hearing Screener TEOAE & DPOAE set
010127TA	Echo-Screen Hearing Screener TEOAE & ABR set
010127DA	Echo-Screen Hearing Screener DPOAE & ABR set
010127TDA	Echo-Screen Hearing Screener TEOAE, DPOAE, & ABR set
	Echo-Screen Firmware and Software
0482	DPOAE software
0483	TEOAE software
0484	ABR software

- Additionally, the following part numbers are no longer available and are effectively discontinued at this time:

Part Number	Description
0400	echo-screen T Plus Set N1
0418	echo-screen TDA Plus Set N1 International
0424	echo-screen TS Set N1
0129	echo-screen A Plus Set Japan
0139	echo-screen TA Plus Set Japan

Technical and factory service will be provided for up to 7 years after the date of original purchase of the product. If you have any service related questions, please do not hesitate to contact technical support or your Authorized Service Center.

We suggest you introduce customers currently using Echo-Screen II devices to the latest generation Echo-Screen® III Hearing Screener.

We appreciate your support in communicating this message to customers considering the purchase of a new device or customers who have had their Echo-Screen devices close to or over 7 years.

Regards,

Yuce Hekimoglu
